## CHESTER CITY EXILES

Formed 1983

# Who should join the Exiles?

For those Chester supporters who live away from the city whether north or south, UK or abroad, then the Chester City Exiles Supporters Club is for you. We aim to cater for City fans from all over the country and keep them in touch with the latest news from the Deva Stadium, as well as with other exiled City supporters.

# Why join the Exiles?

→ Keep in touch with activities on and off the field at the Club. We will send you regular e-mails with all the latest Exiles news, those without e-mail receive a printed version. Details of pre-match meeting places and social events are included. Share the joy that is supporting Chester City with fellow sufferers. You are not alone!

→ The Exiles gives you a voice. We are regularly in contact with the Club and these days they even listen to what we have to say! Pauline Meakins, our Chairman, is on the Board of the Chester City Supporters Trust so we even have a formal mechanism to put the views of Exiles to the Trust and through the Trust to the Club.

→ The Exiles give you the chance to do your bit to help Chester City. In the Club's darkest hour the Exiles played a leading role in forming the ISA, and now in happier times we are pleased to sponsor the Club directly and still play our part with the other supporters organisations. Last season we sponsored the home match against Wycombe Wanderers when over 20 members took advantage of a subsidised deal to enjoy the club's hospitality for the afternoon.

→ We also campaign and work constructively for greater involvement and facilities for supporters in general. The Club is a member of APFSCIL – The Association of Provincial Football Supporters' Clubs In London.

→ As a member of the Exiles you will get an exclusive Chester City Exiles enamel badge. Classy!

→ Finally, even if you cannot attend matches, meetings or socials then it will help us just by having your membership fee and from time to time asking you what you think of issues and initiatives that we might be considering.

Full membership of the club costs £12.00 (Sterling) with a reduction to £9.00 (Sterling) for under 18s, OAPs, and the unemployed. Overseas (outside Europe) rates are £15.00. We also have a Family rate (any number of people at the same address) £20.00. But we are always very happy to accept donations in addition to the membership fee which just about covers the costs of servicing the membership.
